

# RezLive - One Click Travel Planner

## An Exclusive B2B Online Reservation System

RezLive.com  
Global Reservation System

Ahmedabad based Travel Designer India Pvt. Ltd has launched an exclusive B2B Online Reservation System - Rezlive.com. Rezlive.com - a Dynamic and user friendly Global Reservation System has more than 40,000 Hotels and 2500 Destinations made available with their real time availability from across the globe on wholesale rates, for the Travel Agents.

The company has registered 300 travel partner within a short span of time and is also looking out for Affiliates & Sales Partners to expand RezLive all across India and will be soon launching an Agent Training Seminars to explain features and facilities of RezLive to travel partner.

**Mr Kalpesh Shah**, Chairman & Jt. Managing Director, **Travel Designer India Pvt. Ltd** said, "We have been working closely only with Travel Partners in India. RezLive has been designed to empower our fellow trade partners with real time availability across the globe on Wholesale Rates. The system is designed with a view to protect full interest and confidentiality of travel partners with facility to print confirmations & vouchers with their own logo and

contact details".

Enlightening in depth about company's future plans & market strategy, **Mr Jaal Shah**, Jt. Managing Director of Travel Designer said, "In order to facilitate Regional Wholesale Agents and Agents working on the Sub-Agent Network; RezLive is offering White-Label Solutions which can be beneficial not only to their sub-agents but their
