RezLive.com has appointed Continental Travel Group as its exclusive general sales agent for Kenya. With the launch of its Kenya office, RezLive.com will slowly and steadily increase its footprint in the Africa region.

Commenting on the partnership, Jaal Shah, group managing director, RezLive.com, said, "Our presence in Kenya will strengthen our reach in the Africa market and will boost trade from that region.

So, this region will contribute to a greater extent to our overall business and will help us to reach out to more travel partners."
